- **Manufacturer/Importer:** EUROSAND GmbH
- **Address:** DE 92637 Weiden , Pressather Straße 95
- **Contact:** info@eurosand.de

---

2. Description of the product

- **Intended use:** Decorative stones and sand for decorating living spaces, table decorations and craft projects.
- **Material composition:**
  - **Materials:** natural stones, glass stones, marble, synthetic resin, sand (colored or natural).
  - **Surface treatment:** If necessary, color coatings, varnishes or glitter finishes.

---

3. Possible dangers

- **Choking hazard:** Small stones or grains of sand can be swallowed by children or pets.
- **Inhalation of dust:** Decorative sand or ground particles can irritate the respiratory tract.
- **Chemical exposure:** Dyed or coated materials may cause the fabric to flake off.
- **Mechanical injuries:** Sharp edges on glass or natural stones can cause cuts.

---

4. Safety instructions

4.1 General safety instructions

- **Keep away from children and pets.**
- **Not suitable for consumption – purely decorative purpose.**
- **Avoid dust generation – wear a respiratory mask if necessary.**

4.2 Notes on use

1. Handle decorative stones and decorative sand carefully to avoid injuries.
2. Do not use in areas where food is processed or stored.
3. If dust is generated, ensure adequate ventilation.
4. Do not use aggressive cleaning agents to avoid damaging coatings.

4.3 Storage instructions

- Store dry and in closed containers.
- Protect from direct sunlight to prevent color fading.
- Avoid moisture to prevent sand from clumping.

---

5. First aid measures

- **If swallowed:** Get medical attention immediately, do not give to food or drink.
- **In case of skin contact:** Clean affected area thoroughly with soap and water.
- **If eye irritation occurs due to dust:** Rinse with clean water and seek medical advice.
- **If dust is inhaled:** ensure supply of fresh air; if breathing difficulties occur, seek medical advice.

---

6. Firefighting measures

- **Suitable extinguishing agents:** CO_2, foam, powder.
- **Special measures:** Wear respiratory protection as coatings can emit toxic fumes.
- **Material is non-flammable** , but coatings may emit smoke.

---

7. Storage and transport

- **Storage:**
  - Store in a dry, cool and well-ventilated place.
  - Store in closed containers to avoid dust generation.
- **Transport:**
  - Protect from impact and damage, especially glass stones.

---

8. Disposal instructions

- **Material-dependent disposal:**
  - Natural and glass stones: Disposal via residual waste or recycling centers.
  - Decorative sand: Dispose of small quantities in household waste.
  - Coated materials: Dispose of according to local regulations.
- Recycle packaging according to local regulations.

---
